Welcome to Shalif

Table of contents

1. Overview

This is a family site for the Shalif family. We usually live in Israel and have various personal interests. Follow the link for each member under Members for more information.

See below for main sections of this site

1.1. Members

The Members directory contains a list of the Shalif family members

1.2. Software

Under the Software directory, you will find various personal/open-source software projects maintained by Tal
